Barrie ITT

23 riders, 7 from Barrie, and 16 Eagles participated in the 15km. ITT Inter-Club Championship. The weather conditions were ideal for the race. The sunshine, moderate temperature and a light north breeze made for a good night with some personal bests. The Barrie circuit is a smooth, tree lined out and back course with lots of curves and only 65 metres of climbing.

There were 7 riders in the Road Bike category. On the podium were: Jan Jensen representing the Eagles who was third with a time of 23:46.4, while Greg Innes of Barrie came in second place at 22:18.9, while Mark Lancia also of Barrie was the winner at 22:10.9. Congratulations to the podium, the times were excellent. Andrew Darke made his return to time trialling on his road bike after recuperating from his fall in early June whilst in the act of imitating a Whirling Dervish. Andrew was able to get off his bike and successfully pack up his kit without any untoward incidents. Congratulations Andrew!

In the TT Bike category on the podium: Dan Horchik was third at 21:33.8, Jon Maloney was second at 19:26.5, while Ed Veal was the winner with a blazing time of 18:18.7. Dave Pierce, our distinguished Race Secretary and road race reporter extraordinaire missed the podium by 3.7 seconds. The times were quick due to the excellent conditions. Also of note, the Newmarket Eagles successfully defended the Inter-Club Championship title.

The results are posted online at the Webscorer site. If you go to the Webscorer site, select Find Races, click on the filter box and select ID. The ID # is 111042.

A big thank you to our volunteers: Sarah Grimes for time keeping, Tony Osborne spotting, and especially the Barrie volunteers for spotting and working the turn. It was a great night for a time trial on a fabulous course.

This concludes the time trial season for 2017. Only 4 TTs were cancelled due to inclement weather, although there were several close calls with the rain stopping a few minutes before the start on quite a few of them. Attendance was up for our TTs, and the Road Bike category was undoubtedly a factor. Lastly, a big thank you to all our volunteers throughout the season, you made the 2017 TT series a success.

Yours in Time Trialling,
Bob Spencer
