Ride Leaders' Guide

Organize the ride
- Familiarize yourself with the route
- Arrive 15 minutes early
- Gather riders, review route and [expected rider etiquette](expected-rider-etiquette), do head count
- Check new riders' membership

Keep the group in line
- Follow the rules of the road
- Encourage riders to follow [Group Ride Practices](group-ride-practices) – Tight and to the Right
- Check headcount periodically
- Keep group together – regroup/adjust pace if necessary; no drop policy
- Riders off the front are on their own

Report any incidents
- Remain calm and be the spokesperson for the group
- Call 911 if applicable
- Ensure any riders unable to continue have a means of getting home
- Report incident to Club Executive

Most of all … Have Fun!
